

- ▶ **Met** the minimum requirement for Aspirational Standards
- ▶ **Not met** minimum requirement for Aspirational Standards

[illegible]

For information on the Aspirational Standards, please click the QR code or visit this webpage:
<https://www.lta.org.uk/compete/performance/aspirational-standards/>

This report is a snapshot based on observations from today's camp, not a full evaluation of the player.

Camp invitations are all made in isolation of one another - there should be no expectation that a player will attend every camp.

To maintain the same rating as players move from 8&U into 9&U or 10&U, the qualities shown will need to be displayed at a higher level, as the standard naturally rises with age.
